Threadneedle Opportunity Investment Funds ICVC	UK Social Bond Fund	This fund is aimed at Retail and Professional customers and Eligible Counterparties who should have at least a basic level of knowledge and experience of investing in funds.	It is designed for investors looking for income and the possibility of some capital growth by investing in bonds considered to support socially beneficial activities, who can invest their money for at least 5 years.	Your capital is not guaranteed which means that investors could lose up to 100% of the amount invested. The fund invests in fixed income securities which tend to have a higher risk profile than money market securities due to higher company specific credit and interest rate risk but a lower risk profile than equity markets.	The fund is suitable for all distribution channels. This means you can buy it with or without advice.	You should not buy this fund if: <ul style="list-style-type: none"> Your objective is a guarantee of capital preservation; or You cannot tolerate some risk of loss
